The Comptroller requests that Article 520 (a) of Mysore Service Regulations may be amended to make provision for the payment of pensions in Mysore to Mysore Pensioners living in India but outside Mysore. SIR,

I have the honor to state that no provision is made in the Mysore Service Regulations to enable Mysore Pensioners living in India but outside Mysore, to draw their pensions in Mysore. Article 520(a) of Mysore Service Regulations provides for cases of pensioners living outside India, and not in India outside Mysore. This Article is based on Article 949 (a) of the Civil Service Regulations according to which British Pensioners residing outside India are permitted to draw their pensions in any Treasury in India by themselves or through their Agents. It appears to me, therefore, that the word "India" in the first line in Article 520 (a) of Mysore Service Regulations was not deliberately retained.

2. I am aware that Mysore Pensioners have been given due facilities for drawing their pensions in British Treasuries in India in the same way as British Pensioners enjoy the corresponding privileges in Mysore. But necessary provision should, I think, be made for Mysore Pensioners living in India, but outside the Province, but wishing to draw their pensions in Mysore. In this view of the case I have granted the request of Mr. M. Ramaswamy Iyer, retired District Judge, to draw his pension from the Bangalore District Treasury under the conditions
